

FRANCOPHONE AFRICA AREA

Mpunga (Makoyi) Mukengeshay

Let's praise God for:

- The smooth running of Pamoja II in our area from Dec. 27 to Jan. 2.
- The fruitful work of 14 missionaries sent to the Sahara belt (Mali, Niger, Chad, Senegal, and Guinea).
- Our area making considerable progress concerning local support for staff members as a result of DMPD training.

Let's pray:

- For the Francophone Africa Area Team as we fill critical positions.
- For the protection of God over the staff during trips.
- For peace in countries of our area where elections are scheduled for this year.
- For staff members, so that they may understand changes in our ministry structure and culture.
- For the new configuration of *JESUS* film teams after June 2010.
- That movements in countries of level I move to level II and those of level II to level III.
- For countries of level III to have the resources to work freely.
- For the forum for women leaders, Aug. 10-12, 2010
- For the meeting of all staff of our area, Aug. 14-20, 2011.
- For material, financial and human resources for the celebration of the 20th birthday of "Maman Anne" in DRC on August 21, 2011.

RWANDA

We praise God for:

- Purchase of a new property where our National Office has been operating since April 2010.
- The 350 pastors who were trained in our ministry last year and are willing to partner with us to impact our Church-led Movement (CLM).
- Ownership of the Student-led Movement at Kigali Institute of Education (KIE), National University of Rwanda (NUR), and Université Libre de Kigali in its branch located in the Western Province (ULK Gisenyi). We thank God for the commitment of the Campus Alumni to support the Student Movement where they study.
- Good relationships and partnerships between our ministry and national Christian organizations and churches. In this perspective we thank the Lord for the election of our National Team Leader as Key Advisor in the Department of Evangelism and Church Planting within the Evangelical Alliance of Rwanda, which is composed of 44 Christian entities (mostly churches and a few Christian organizations such as CCC/Rwanda). That will be a channel for us to expand our CLM all over the country.

Pray for:

- The Presidential elections that will take place in Rwanda on August 09. Pray for our National Ministry as it changes in many ways:
 - a. We moved from three movements to focus on two Movement Critical Components (Student-led Movements and Church-led Movements).
 - b. All our *JESUS* Film members have been challenged to become Associate Staff or Volunteers.
 - c. Our Full-time Staff members have been challenged to stop all field activities and raise 100% of their full support for three months, before June 2010.
 - d. Each Movement Critical Component has to be strong in the development of its ownership and local fundraising.

- Recruitment of new staff members and the commitment by all Student Alumni of CCC/Rwanda to support Full-Time Staff members who work on campuses.
- The success of all our initiatives and projects.
- The rehabilitation of our new National Office.
