

LATIN AMERICA

Layo (Luchy) Leiva

Pray for the Latin America Area Team as we are forming a new team.

GUYANA

Praise items:

- As a ministry we give thanks to God for the one female who is going through GCTC training at the moment and for two others who are now involved in the application process.
- We also praise the Lord for the work done to produce the “JESUS” film in Guyanese, a tool that will greatly enhance our reaching most Guyanese in their heart language.

Family Life

- We thank God for the successful promoting of the *Preparing for Marriage* resource that we are making available to the wider Body of Christ. We thank Him for the enthusiasm and receptivity of the current group of couples going through the series.
- Pray for the seven-couple core group that continues to give leadership to this division of Campus Crusadet. Pray that their lives, marriages, and families will be exemplary. Pray for one wife with whom we are trusting the Lord to restore her eyesight.
- Pray that at least one couple will answer the call to serve as full-time staff members.
- Pray for the Kwakwani Family Life seminar 28-30 May. Pray for safety in the transportation of team and participants. Pray that many marriages will be saved and marriages strengthened in this hinterland community.
- Pray for a married couples’ seminar in Central Corentyne, June 26. Pray for a registration of at least 75 couples and that married relationships will be mended and strengthened and that non-Christian couples will come to faith in Jesus Christ. This is a mainly East Indian area.

Campus Ministry

Leadership Training Institute (LTI)

- We praise God for the Feb. LTI with 26 students. Many reported being helped in the areas of walking in the power of the Holy Spirit and evangelism.

Celebrate Jesus

- We give praise for the 125+ persons who attended this Easter programme, which saw students lifting up Jesus in the different art forms under the theme, “Christ the Risen King” as we presented the gospel of Christ.
- Special thanks for the way God used the lecturers to grant us some of their lecture time in order to make the lecture theatre (where the programme was held), available to us.

Prayer requests:

- For God’s wisdom as we plan a Summer Project to be held in August 9-16.
- Pray for a successful Snack Sale to be held May 28. The proceeds are for the Campus Ministry’s day-to-day expenses.
- Pray for the six students and one staff member who will be attending the CSC 2010 Conference. Pray that they will raise all their funds by May 21. And that the Campus Ministry will be able to raise some funds to assist those attending the conference.
- That evangelism and discipleship would increase on the campus. We are trusting God that more of our student leaders and students who attended LTI will be evangelizing and discipling others on a more regular basis.
- For the staff to be good models to the students of aggressive evangelism and discipleship.
- Pray that our short films team headed by lecturer, Kencil Banwarie, would be able to continue to meet and plan for this new ministry that can enhance ministry on the campus.

- That we would be able to recruit at least two new staff members to work in the Campus Ministry. We are praying that one of them would be male.
- That God would lead some of our students to become interns with the ministry.

The Professional Ministry

Praise the Lord for:

- The one full-time staff member and Core Group of professionals who continue to lead this ministry. Praise the Lord that they continue to live exemplary lives as they trust God to be multiplying disciples.
- The many professionals who were exposed to the gospel through the love survey and the Easter e-message.
- The average attendance of 50+ at our bi-monthly fellowship meeting ProMin Time.

Please pray for:

- The “Blazing the Trail Evangelistic Outreach,” Apr 29 - May 14. These will be conducted in at least four workplaces. Pray that many professionals will surrender their lives to Christ and become multiplying disciples.
- The out-of-town Conference and summer project in August. The Professional Ministry will team up with the Campus Ministry to reach out to this mining community about 65 miles out of the city with the love of Jesus. They will be seeking, among other objectives, to promote a healthy lifestyle through a medical outreach.
- The strengthening of the nine existing discipleship groups and the start of at least 11 more by the end of 2010.
- The planned all-night prayer meeting June 21 for the upcoming Jamaica conference. It is expected that a team of 34 will attend the conference. Pray that each participant will raise full support and that they will have a fresh encounter with the Lord and hear from Him during those days. Pray that each participant will be filled with the knowledge of God for his life.

JAMAICA

National Office

Praise God for:

- Our new Jamaican staff guy, who joined us in September. He has been assigned to Campus and is in the process of developing his ministry partnership team. Pray for him to successfully meet his goal soon.
- A senior staff woman who joined us in March from Trinidad & Tobago, where she had served as Campus staff for 11 years. She felt God leading her to join us in Jamaica.
- MORE NEW STAFF! At two separate training seminars in February persons were challenged to join our staff team. Since then three applications have been received and those interviews completed. Other prospects are in the process of completing their staff application forms. All the staff will be assigned to the University Campus Ministry. Three of these have been challenged for the music and arts strategy at Edna Manley.

Pray for:

- God to raise up five male and four female staff members for Campus and three persons for the office administration and operations.
- A retired University staff member to join us to help with our outreach to faculty.
- Financial support for all the staff, the national office and the Campus Ministry.
- God’s leading during our staff planning retreat, May 3-7, 2010.

Campus Movement

Praise God:

- For the continued opportunity to reach out to about 500 faculty members and all of the administrative staff through weekly devotionals at our national university.
- That staff at the universities remain open to our ministry into their lives and are indicating a growing desire to reach out to their peers in creative ways. Faculty members continue to invite us to minister through short devotionals in general class time and during special functions.
- For the reception held aboard the ship Logos Hope for faculty and student leaders. A lot of interest was sparked for involvement in outreach activities on campus. We are presently following up interested persons with various meetings.

Pray:

- That God would draw student leaders from the University of Technology to return to Him and build on relationships with Him (more than 90 members of the university's student leadership - Student Union, hall leaders and club leaders) at a leadership retreat from May 12-15 put on by the university. Pray that they will accept the challenge to make a difference on their campuses and to have a spiritual impact in changed lives.
- That we will have a successful outreach to first year students with the help of GAIN, September 11-18.
- For development of prayer partnerships and a successful prayer movement on our campuses.
- That faculty members will meet by mid-June to prayerfully consider how they can be more involved in outreach and discipleship of faculty and students on their campuses. Pray that this meeting will be successful and will result in a more vibrant movement among the faculties on all three campuses, beginning in September 2011.
- Pray that 30-50 students will attend the Caribbean Student Conference in Montego Bay, Jamaica, June 24-28, 2010. Pray that they raise all their support by May 31.
- Pray for the group of 14 women participating in "The Significant Woman" (TSW) since January. May they experience transformation in their lives and be motivated to start other TSW groups at their workplaces, in their neighbourhoods and on campus. Pray that faculty and university staff will be effectively challenged to be part of TSW and have vision to lead their own groups.
