ETHIOPIA

- Praise God for the successful National Women's Conference. More than 800 women came together in a part of Ethiopia almost 99% dominated by the Ethiopian Orthodox Church. Pray for the strategy to reach these **unreached people groups** for Jesus.

the Garrisa University. Pray also that Defense Forces will have wisdom on how to put up security measures to fight terrorism.

- Fifteen staff members have just finished three months of Discipleship Ministry Partnership Development (DMPD) raising Blitz, which is our priority. Pray for God's guidance to the people He has already prepared to join their ministry team. We are training 25 other staff in the second phase of DMPD Blitz. Pray that staff will attain **80% of their support goal by end of 2015**.
- Pray that God will help us to realize our **National Strategic Plan goals for 2015** of seeing 200 multiplying disciples, about 100 communities of multiplying disciples, and 15 prayer teams in various locations. Our goal for 2020 is to engage one-half million disciples, leading to 100,000 multiplying disciples.
