- Praise God for the 98 women leaders (80 staff and 18 community partners) who attended the **Significance Project Global Champions Summit in September 2015 in Orlando.** Representing 35 nations, these women are engaged in multiplication through the various MCC's. They are using The Significant Woman life-coaching discipleship resource and SOARING life-coaching evangelistic resource as some of their key tools. During the Summit they set God-sized goals for bringing about spiritual movements. Pray that God will equip them for greater opportunities to build multiplying disciples, and help them stand strong against any spiritual warfare. Pray for men's life-coaching resources that are being field tested around the world and for the Task Force of men leading this effort.
- Our communications team is **revamping our website** to better serve our staff women. Pray that God will use our content to allow our staff women to multiply their influence in the lives of people around them.

### National SLM:

The project will be in Vladivostok for the next five months, and hopes to raise up a significant number of key volunteers as a result of their time.
- Moscow: May God deepen our prayer life and lead us as we fast. Pray He would give us the opportunity to **meet more spiritually interested students** (especially girls), with repeated opportunities to meet with them, and God removing any feelings of distrust or suspicion.
- St. Petersburg: Several believing students from different churches want to join with us to share the gospel to their fellow students by building student movements; pray for wisdom and sensitivity to God's leading as we **work with believing students** - at this point, we don't have a clear understanding how to do this, for clarity by all of our role as staff and their role as students.

National SLM Leadership Team:

- Pray safety and wisdom for our **non-Russian staff** in the current political climate.

National SLM Catalytic Team:

- Praise God that we have **volunteer teams** in Volgograd, Ufa, Elista and Vladimir and are forming teams in Ulan Ude, Vladikavkaz, Tomsk and Krasnoyarsk. ## SWITZERLAND\*

- Explor 15: "My wish and prayer for Explor 15, in Lucerne, Switzerland, from 29 Dec - 1 Jan., is that **the Holy Spirit may blow the ashes off our lives and may light the fire of faith anew** in our personal, in married, family, church life and in the lives of the human community," Andreas "Boppi" Boppart, Mission Leader of Campus für Christus Schweiz:
  - Preparations for Explor 15 are in a crucial phase. We are working on the **very time intensive detail work** in most of the different areas of the conference. At the end of September we opened up registration also for day guests so that more people could participate.
  - At the same time we are praying that most people decide to attend the entire conference, as we are convinced that God wants to use all the days to encourage us. Please pray with us that many will **register for the entire Explor 15**, and see if there are people in your surroundings that you could encourage to go.
- Besides the very intensive preparations for Explor 2015, we have our normal ministries. Our aim is to **help Swiss churches awaken the hearts of people** for evangelization. We have different projects among the youth, among friends, with women through women's breakfasts, and Alpha courses, only to mention a few.
- Please pray that we **connect with the right people** from the various churches to start movements.
