### ***This Generation***

At the culmination of Jesus’ earthly ministry, He said, “... go and make disciples of all nations.” That mission, the Great Commission, has been the church’s calling for more than 2000 years. In the 1960s, Dr. Bill Bright, the founder of Cru/Campus Crusade for Christ, began signing his correspondence “Yours for fulfillment of the Great Commission in this generation.” **Could we be the generation that sees the fulfillment of Christ’s Great Commission?**

### ***An Invitation***

Around the world, God is moving in extraordinary ways. We are seeing explosive growth and responsiveness to the gospel in some of the hardest places to reach. Even in the western world, we see a growing hunger for spiritual renewal and revitalization. God is at work.

God is calling His people to something extraordinary – to help raise up 10 million Christ-centered multiplying disciples around the world. This number includes God working through GCM, LLM, and SLM, as well as the rest of the body of Christ. We believe God is calling the body of Christ to do this by the close of the year 2020.

### ***Pray2020***

A prayer movement is underway around the globe, known as Pray2020. In personal settings and together with other Christians, we are asking the Lord of the Harvest to raise up and send out these 10 million disciples by 2020. (Matthew 9:35-38)

You might begin by setting an alarm to pray daily at 20:20 (8:20p.m.) wherever you are. The Holy Spirit may lead you and those around you to pray weekly, monthly or according to some other prayer rhythm. Ask God to:

### ***MOLD***

our hearts to be one with His heart.

### ***MULTIPLY***

our lives through others.

### ***MOBILIZE***

laborers through prayer and ministry efforts.

## *Enlivens Movements*

### *Because of Jesus*

Last year a team of Korean students traveled to a small island in the Philippines called Bukola, trusting the Lord to open new campuses through SLM's Catalytic Strategy.

The Korean team met a student who had become a believer only a year earlier. They challenged her to start a ministry on her campus, and this past February a Catalytic staff member from the Philippines visited, to train her in basic follow-up and evangelism. The staff woman continued to coach the student from a distance.

This student began to share her faith with women across her campus. Her brother came to Christ and began sharing with the men. They developed a leadership team of five students to pray and trust God to reach their *entire* campus. By August, more than 20 students were involved!

Asked what it was like to share the gospel on their very strict campus, the students said, "It is very, very hard." But when pressed on *why* they do it, they replied simply, "It's because of Jesus."

Three of the four campuses on the island of Bukola now have an entirely student-led ministry presence because of the one student woman who was willing to trust God and respond to His leading. Those three campuses are now coming together to reach the fourth.

Though the Catalytic staff woman continues to coach and encourage the students from a distance, the ministry would remain – without her influence. In this way, SLM is trusting God to greatly multiply our impact through a Catalytic mode of ministry.

# GOOD SOIL

*Ask the Lord of the harvest to multiply this 30, 60 or 100 times.*

*A banner from the early days of Cru reads:*

**“Reach the Campus Today.  
Reach the World Tomorrow.”**

Cru's contemporary ministry among students and faculty shares that passion. It operates in a culture of prayer. Join with GSLM in mission-focused intercession - the catalyst of every effort to build movements of multiplying disciples throughout the world. Ask the Lord for His Kingdom to come and His will to be done worldwide through GSLM, as we trust Him for:

#### **The gospel for every student**

Intercede on behalf of the 160 million college students around the world, asking the Father to draw them to Himself (2 Peter 3:9).

By 2020, we are trusting Him for a *student-led presence* on 50% of the world's campuses, with 50% of them being *multiplying movements*. Ask the Lord of the Harvest to send out laborers into His harvest fields, on every campus (Matthew 9:35-38).

#### **Leaders for every nation**

Spiritually multiplying leaders raised up in every nation who will change the world through the message of Jesus. **God works through the prayers** of His people to ignite spiritual movements. As Spirit-filled disciples “pray without ceasing,” the Lord increases faith, causes growth and brings about fruitfulness to glorify Himself (John 15:1-17).

**Stories are the building blocks of all movements.** The early church multiplied as the stories about Jesus spread everywhere. It continues to grow alongside stories of what He is doing now.

**The Global Prayer team invites you to:**

► **Share stories** of God answering prayer. Please email a brief summary of the story to [global.prayer@ccci.org](mailto:global.prayer@ccci.org) and we will contact you before passing along your story.
