MULTIPLY

MOBILIZE

Mobiliza trabalhadores.

A global movement of prayer,

asking God to raise up 10 million Christ-centered, multiplying disciples and 5 million new churches/faith communities by 2020! The Scriptures tell us God honors persistent prayer. Join Cru and our partners in continuing to ask Him to:

- **MOLD** our hearts to be like Jesus' heart. (Romans 12:2; Ephesians 5:15-18)
- **MULTIPLY** our lives into the lives of others. (2 Timothy 2:2; John 15:5-10)
- **MOBILIZE** laborers for the Lord's spiritual harvest (Matthew 9:36-38; Acts 3:19).

The Great Commission and its fulfillment are from the heart of God (Matthew 28:18-20). He desires to reach this goal through His people. Only He can answer these prayers.

Pray2020: A strategy to help us to unite and persist in passionate prayer

This simple initiative is designed to help us pray daily and to invite others in the body of Christ to join us. Set a prayer reminder alarm for 20:20 (8:20 p.m.), wherever you are, whomever you are with.

Read more about Pray2020 and how you can play a vital role in mobilizing disciples and planting churches around the world at: pray2020.org

Each Cru geographic area has adopted a specific calendar month for fasting and prayer toward achievement of the movement's 2020 goals. The Eastern Europe Area launched this chain in October 2016. The Southern and Eastern Africa Area took November in 2016 and 2017.

Ask the Lord to go before us, our strategic partners, and the whole Body of Christ - to empower us with the wisdom, discernment and power needed to see area and global 2020 goals met.

PRAYER

Ignites Movements

By Christian José Vivas Santana

In 2014, my country of Venezuela was clearly heading into a crisis. Every part of society was feeling the impact of the nation’s political troubles.

For example, all the SLM (Student-led Movements) Cru staff members from the U.S. were taken out of Venezuela. Our staff wondered what would happen to the movement there in the days ahead. We knew that many things would continue to grow worse.

The economy was in a downward spiral. Finding support was already a challenge. But now, having new, fully supported laborers would really be hard! At least that was our human thinking.

The team had little hope that the ministry could survive in the long run. We knew we needed to pray a lot more - only God could do something! Prayer was one thing we could do. So, we took prayer a lot more seriously. It became a main focus in our ministry as a whole.

We prayed and we prayed! We asked God to mold our hearts to have His heart for our country and His passion for

our people. We prayed that He would multiply our lives in others and give them His passion for the lost. Our prayer was also for Him to mobilize laborers for the harvest - because His harvest was ready in Venezuela.

[From the 2014 photo, nine people are not serving in Venezuela anymore.]

“We prayed and we prayed! We asked God to mold our hearts to have His heart for our country and His passion for our people.”

The great news is God has been answering prayer! Even in all this chaos and turmoil, He is continuing to do His work in Venezuela. We are so encouraged to see Him raising up many more laborers for His spiritual harvest.

Three-and-a-half unsettled years have passed. There have been trials, even the death of our Cru national director. But God has remained faithful—now and always—He is Lord over all. With the help of Cru regionally and globally, we have been blessed to see Him care for the staff.

Venezuela is still in difficult times. God knows when things will change. So, when we think about these challenges, we can only thank God for His faithfulness and remind one another to trust Him, that His plans are greater than ours.

Many people say that these times are the toughest in our entire history as a nation. Old and young agree they have never seen this much division, corruption, sickness and deep hopelessness. People are hungry for hope.

God works through the prayers of His people to ignite spiritual movements. As Spirit-filled disciples "pray without ceasing," the Lord increases faith, causes growth and brings about fruitfulness to glorify Himself (John 15:1-17).

Stories are the building blocks of all movements. The early church multiplied as the stories about Jesus spread everywhere. It continues to grow alongside stories of what He is doing now.
